FOLLOW UP:

- Complete information has not been provided by the competent authority because according to the information provided by Brottsoffermyndigheten/The Crime Victim Compensation and Support Authority, there is in Sweden an appointed evaluator by the Government currently investigating on how to transpose the articles on support to victims of the Directive combating Terrorism.
- The results of the evaluation will be presented to the government in the end of March 2018.
- The government will after that present suggestions on new legislation to the Swedish parliament.
